### [The Story]

A team of five go into a mansion in search of finding answers to the mysterious disappearance of famous painter Ichirou Mamiya. Despite all of the warnings given to them that supernatural events have been rumored to occur at the estate.

Akiko Hayakawa, Ryo Taguchi, Kazuo Hoshino, Emi Hoshino, and Asuka

I would like to take a moment to point out that in the movie, Lady Mamiya never spoke. All of her dialogue was done through Asuka, whom she would possess throughout the film.

### [Heroes]

Kazuo Hoshino

The producer and leader of the group. Has his trusty lighter even though he doesn't smoke.

Akiko Hayakawa

The director and Kazuo's love interest. Carries around a medical bag even though she does smoke.

Ryo Taguchi

Trusty cameraman and the token pervert of the group.

Asuka

The main reporter and narrator, bullheaded but easily manipulated. Skilled at cleaning and preserving paintings with her vacuum.

Emi Hoshino

Kazuo's teenage daughter. Comes along in an attempt at getting Kazuo and Akiko closer to each other. She is in charge of the key to the estate.

### [Supporting cast]

Mamiya is referred to as Lady Mamiya in the original, however due to the 6 character limit, it was shortened to just Mamiya.

Kenichi Yamamura

Translates to "Mountain Man" in Japanese.

Ichirou Mamiya

The famous painter and owner of the house. Is said to have disappeared.

Lady Mamiya (Mamiya Fujin)

I would have personally gone with "Fujin" to help conceal her identity to the player.
